## RESOLUTION NO 2021-01

### **A RESOLUTION OF THE CITY OF KAKE IN SUPPORT OF FULL FUNDING FOR THE STATE OF ALASKA MUNICIPAL HARBOR FACILITY GRANT PROGRAM IN THE FY 2022 STATE CAPITAL BUDGET.**

**Whereas**, the City of Kake recognizes the majority of the public boat harbors in Alaska where constructed by the State during the 1960s and 1970s; and

**Whereas**, these harbor facilities represent critical transportation links and are the transportation hubs for waterfront commerce and economic development in Alaskan coastal communities; and

**Whereas**, these harbor facilities are ports of refuge and areas for protection for ocean-going vessels and fishermen throughout the State of Alaska, especially in coastal Alaskan communities; and

**Whereas**, the State of Alaska over the past nearly 30 years has transferred ownership of most of these State owned harbors, many of which were at or near the end of their service life at the time of transfer, to local municipalities; and

**Whereas**, the municipalities took over this important responsibility even though they knew that these same harbor facilities were in poor condition at the time of transfer due to the state's failure to keep up with deferred maintenance; and

**Whereas**, consequently, when local municipal harbormasters formulated their annual harbor facility budgets, they inherited a major financial burden that their local municipal governments could not afford; and

**Whereas**, in response to this financial burden, the Governor and the Alaska Legislature passed legislation in 2006, supported by the Alaska Association of Harbormasters and Port Administrators, to create the Municipal Harbor Facility Grant program, AS 29.60.800; and

**Whereas**, the City of Kake, is pleased with the Department of Transportation and Public Facilities administrative process to review, score and rank applicants to the Municipal Harbor Facility Grant Program, since state funds may be limited; and

**Whereas**, for each harbor facility grant application, these municipalities have committed to invest 100% of the design and permitting costs and 50% of the construction cost; and

**Whereas**, completion of all harbor facility projects are all dependent on the 50% match from the State of Alaska's Municipal Harbor Facility Grant Program; and

**Whereas**, during the last fourteen years the Municipal Harbor Facility Grant Program has only been fully funded twice; and

**Now therefore be it resolved** that the Membership of the Alaska Association of Harbormasters and Port Administrators urges full funding in the amount of \$14,049,988 by the Governor and the Alaska Legislature for the State of Alaska's Municipal Harbor Facility Grant Program in the FY 2022 State Capital Budget in order to ensure enhanced safety and economic prosperity among Alaskan coastal communities.

Passed and approved by a duly constituted quorum of the City of Kake on this 5th day of January, 2021.
