

**CITY OF KETCHIKAN, ALASKA**

**RESOLUTION NO. 19-2760**

**A RESOLUTION OF THE CITY OF KETCHIKAN, ALASKA IN SUPPORT OF FULL FUNDING FOR THE STATE OF ALASKA HARBOR FACILITY GRANT PROGRAM IN THE FY 2021 STATE CAPITAL BUDGET; AND ESTABLISHING AN EFFECTIVE DATE**

**WHEREAS**, the City of Ketchikan recognizes the majority of the public boat harbors in Alaska where constructed by the State during the 1960s and 1970s; and

**WHEREAS**, these harbor facilities represent critical transportation links and are the transportation hubs for waterfront commerce and economic development in Alaskan coastal communities including Ketchikan; and

**WHEREAS**, these harbor facilities are ports of refuge and areas for protection for ocean-going vessels and fishermen throughout the State of Alaska, especially in coastal Alaskan communities such as Ketchikan; and

**WHEREAS**, the State of Alaska during the past 17 years has transferred ownership of most of these State owned harbors, many of which were at or near the end of their service life at the time of transfer, to local municipalities including Ketchikan; and

**WHEREAS**, the municipalities took over this important responsibility even though they knew that these same harbor facilities were in poor condition at the time of transfer due to the state's failure to keep up with deferred maintenance; and

**WHEREAS**, consequently, when local municipalities, including Ketchikan, formulated their annual harbor facility budgets, they inherited a major financial burden that their local municipal governments could not afford; and

**WHEREAS**, in response to this financial burden, the Governor and the Alaska Legislature passed legislation to create the Harbor Facility Grant Program, AS 29.60.800; and

**WHEREAS**, the municipalities of the City of Cordova, the City and Borough of Sitka, the City of Homer, the City of Edna Bay, the City of Kake, the City and Borough of Juneau, and the Municipality of Anchorage have offered to contribute \$11,151,257 in local match funding for the FY2021 towards eight harbor projects of significant importance locally as required in the Harbor Facility Grant Program; and

**WHEREAS**, for each harbor facility grant application, these municipalities have committed to invest 100% of the design and permitting costs and 50% of these construction cost; and

**WHEREAS**, completion of these harbor facility projects is all dependent on the 50% match from the State of Alaska's Harbor Facility Grant Program; and

**WHEREAS**, during the last 14 years the Harbor Facility Grant Program has been fully funded only twice; and

**WHEREAS**, during the last 14 years the backlog of projects necessary to repair and replace these former State owned harbors has increased to over \$100,000,000.

**NOW, THEREFORE, BE IT RESOLVED** by the Council of the City of Ketchikan, Alaska as follows:

**Section 1.** By this resolution, herby urges full funding by the Governor and the Alaska Legislature for the State of Alaska's Harbor Facility Grant Program in the FY 2021 State Capital Budget in order to ensure enhanced safety and economic prosperity among Alaskan coastal communities.

**Section 2.** This resolution shall be effective immediately upon adoption.

**PASSED AND APPROVED** by a duly constituted quorum of the City Council for the City of Ketchikan on this 7<sup>th</sup> day of November, 2019.
