RESOLUTION NO. 2014-01

A RESOLUTION OF THE ALASKA ASSOCIATION OF HARBORMASTERS AND
PORT ADMINISTRATORS IN SUPPORT OF FULL FUNDING FOR THE STATE OF
ALASKA HARBOR FACILITY GRANT PROGRAM IN THE FY 2016 STATE
CAPITAL BUDGET.

Whereas, the Alaska Association of Harbormasters and Port Administrators recognizes the
majority of the public boat harbors in Alaska where constructed by the State during the 1960s
and 1970s; and

Whereas, these harbor facilities represent critical transportation links and are the transportation
hubs for waterfront commerce and economic development in Alaskan coastal communities; and

Whereas, these harbor facilities are ports of refuge and areas for protection for ocean-going
vessels and fishermen throughout the State of Alaska, especially in coastal Alaskan
communities; and

Whereas, the State of Alaska over the past nearly 30 years has transferred ownership of most of
these State owned harbors, many of which were at or near the end of their service life at the time
of transfer, to local municipalities; and

Whereas, the municipalities took over this important responsibility even though they knew that
these same harbor facilities were in poor condition at the time of transfer due to the state’s failure
to keep up with deferred maintenance; and

Whereas, consequently, when local municipal harbormasters formulated their annual harbor
facility budgets, they inherited a major financial burden that their local municipal governments
could not afford; and

Whereas, in response to this financial burden, the Governor and the Alaska Legislature passed
legislation, supported by the Alaska Association of Harbormasters and Port Administrators, to
create the Harbor Facility Grant program, AS 29.60.800; and
Whereas, the Alaska Association of Harbormasters and Port Administrators, is pleased with the Department of Transportation and Public Facilities administrative process to review, score and rank applicants to the Harbor Facility Grant Program, since state funds may be limited; and

Whereas, for each harbor facility grant application, these municipalities have committed to invest 100% of the design and permitting costs and 50% of the construction cost; and

Whereas, the municipalities of the Aleutians East Borough, the City and Borough of Sitka, the City of Seward, the City of Ketchikan, the City of Coffman Cove, and the Municipality of Anchorage have offered to contribute $14,262,722 in local match funding for FY2016 towards seven harbor projects of significant importance locally as required in the Harbor Facility Grant Program; and

Whereas, completion of these harbor facility projects is all dependent on the 50% match from the State of Alaska’s Harbor Facility Grant Program; and

Whereas, during the last eight years the Municipal Harbor Facility Grant Program has only been fully funded twice; and

Whereas, during the last eight years the backlog of projects necessary to repair and replace these former State owned harbors has increased to over $90,000,000.

Now therefore be it resolved that the Membership of the Alaska Association of Harbormasters and Port Administrators urges full funding in the amount of $14,262,722 by the Governor and the Alaska Legislature for the State of Alaska’s Municipal Harbor Facility Grant Program in the FY 2016 State Capital Budget in order to ensure enhanced safety and economic prosperity among Alaskan coastal communities.

Passed and approved by a duly constituted quorum of the Alaska Association of Harbormasters and Port Administrators on this 15th day of October, 2014.

ATTEST:

Kim Elliot, Executive Secretary
