

ALASKA FLOAT PLAN

- If trouble occurs while you're on the water, help will come faster if the Coast Guard and other rescue agencies know where to look for you. For your safety and your family's peace of mind, complete this form, and leave it with family or friends. If this is not possible, leave it with someone you can trust to notify authorities if you are overdue.
- Remember to **check the weather** before you depart and, if possible, during your trip. The weather is posted at most harbor offices or call 1-800-472-0391, the National Weather Service Alaska Weather Line.
- When you return from your trip, be sure to "close out" your float plan with the person you filed it with.
